Address : El-Mansoura

LinkedIn : www.linkedin.com/in/shorouktaha1912

Objective:

As a passionate and detail-oriented web developer, I am seeking an internship opportunity to apply and enhance my skills in front-end. Leveraging the team proficiency in technologies such as HTML, CSS, JavaScript, and familiarity with frameworks like React, I aim to contribute to a dynamic team while gaining practical experience in real-world projects. Eager to learn and adaptable, I look forward to collaborating with experienced developers to further my understanding of best practices and industry standards, ultimately supporting my goal of becoming a well-rounded and impactful professional in the field of web development

Work Experience:

- **National Telecommunication Institute- Web Developer- El-Mansoura (09/2024 — Present)**
My role during the training was to work on multiple projects, and the instructor helped me channel my skills effectively, allowing me to innovate and create solutions.
- **Front-End Developer- At Azzrak -El-Mansoura (07/2024 — 09/2024)**
completed a two-month online training program with this company, where I watched videos, applied what I learned, and worked on tasks assigned to me.
- **Customer Service Representative -At New Horizons -El-Mansoura (03/2023 — 07/2024)**
My role as a customer service representative was to assist customers in meeting their needs and providing the necessary support

Skills:

- **Programming Concepts:** Object Oriented Programming (OOP)
- **Web Development:** Proficient in HTML, CSS, Bootstrap, SASS, JavaScript, and React
- **Office Tools:** Proficient in Microsoft Office Suite (Word, Excel, PowerPoint)
- **Communication Skills:** Strong communication skills, including effective verbal and written communication and strong interpersonal skills
- **Learning Abilities:** Strong self-learning abilities and adept at collaborating effectively within teams

Education:

- B.Sc. degree of Surveying Mapping and Geographic information system from the Faculty of Arts, Mansoura University (2017 – 2021)

Courses:

- **Front End Course :** (HTML, CSS, Java Script, Bootstrap, React)-At New Horizons 02/2024
- **HTML, CSS, SASS ,JS Courses - El Zero Platform (12/2021)**

Volunteering:

- **Speech Therapy Assistant – Delta center • El-Mansoura (07/2021 – 11\2021)**
contributed to the development of children's skills and assisted them in improving their writing abilities
